INTELLIGENCE

1. The number of enemy contacts increased in the area around the firing batteries of 1st Battalion, 12th Marines.

a. Between 1 Sep and 18 Sep, Bravo 1/12 was involved in 5 sniper/harassing incidents and two small unit probes (one accompanied by 5 rounds mortar fire). In the cases of both probes, all wire lines were cut and evidence was found of wire tapping. One grenade mine was emplaced 50 meters south of the battery position.

b. Bravo 1/13 was involved in 2 sniping incidents on 20 Sep and 30 Sep.

c. Alpha and Mort Battery reported no incidents during the period covered.

2. One incident of psychological warfare was used against Bravo 1/12. On the night of 1-2 Sep, the VC placed a VC flag just outside the perimeter wire. The flag was not booby trapped.

3. There were 4 incidents of VN nationals volunteering information about VC directly to Marines (Mortar Battery). No rewards were paid. All information came from village chiefs.

4. The enemy situation at the end of the month showed a marked decrease in activity as compared with the first 20 days of the month. It can be expected that the enemy will increase his intelligence and recon activities during the month of October, in preparation for offensive operations during the monsoon season. The VC need a victory for propaganda purposes and artillery positions are high priority targets for attack.

CIVIL AFFAIRS

1. During the month the Battalion provided medical assistance to a total of 1703 Vietnamese Nationals. Battery B, 1st Battalion, 13th Marines provided the bulk of the MEDCAP to the Vietnamese of Thanh Vinh hamlet.

2. Mortar Battery, prior to their departure, completed refurbishing the school at NAM-O. They also conducted English language classes for the school teachers and some students at NAM-O. However due to Vietnamese National Elections and the Battery's departure these classes were not to the extent desired. Mortar Battery, additionally, distributed 200 bars of soap, 20 bags of cement, 100 sheets of tin, and a truck load of scrap lumber to the inhabitants of NAM-O.

3. Battery B, 1st Battalion, 12th Marines distributed 300 bars of soap, 2 boxes of toys and a truckload of scrap lumber to the inhabitants of DUyen SON. They also are conducting MEDCAP for the Vietnamese.

4. Battery A distributed 4 boxes of clothes, 250 bars of soap 1 box of books, 80 school kits, and 1 box of toys to the people of DAI PHU. Also, they repaired several tables and chair for the school at DAI PHU.

5. Battery B, 1st Battalion, 13th Marines since their arrival in country has developed an extensive MEDCAP program. They treated 1119 Vietnamese from THANH VINH and the surrounding area. They have assisted the people of THANH VINH in their endeavors to build a school room. The majority of the materials were received through the Vietnamese Channels but some could not be procured. B-1-13 therefore assisted them by procuring the necessary materials through the Marine Civil Affairs program.

6. Headquarters Battery, conducted a MEDCAP program for the inhabitants of DASON and THANG PHOUc TUANG at time soap was distributed. Additionally, Headquarters Battery distributed 30 bags of cement and 50 steel rods to DASON for the construction of a school room.

LOGISTICS, MOTOR TRANSPORT, AND MEDICAL SERVICES

Significant logistical events that occurred during the month of September 1966, while 1st Battalion, 12th Marines were engaged with communist insurgent forces in the Republic of Viet Nam are related in the following paragraphs.

The highlight of the month was the return of three (3) M35 and two (2) M422 trucks from FLSG. These vehicles had been awaiting parts for a period of over three months. Other highlights were MCB-10's construction of a butler building for motor transport maintenance, tin roofing for thirty four (34) of Headquarters Battery's strong backs and complete new electrical wiring have greatly improved the working and living areas for Headquarters Battery.

The month of September showed a continuation of the orderly flow of supplies that were critically needed by the battalion. A "Critipak" shipment was received on 12 September 1966. Two hundred incandescent lamps, one hundred and seventy eight pieces of upper body armor, five fifty caliber machine guns and five M105 trailers were critically needed items that were received during the month.

Motor transport's average deadline rate dropped 5% during the month of September from 15% to 10%. The overall mileage figure for the battalion was 31,390 miles, a daily average of 1046 miles.

The medical department treated 566 patients, administered 275 immunizations and gave 11 physical examinations. In medical civic action 1703 Vietnamese were treated by the medical department. There were no combat injuries sustained during the reporting period. The overall health condition of the command was good, no major episodes of food borne illnesses or heat casualties occurred.

d. In preparation for the monsoon season, the communications equipment was grounded.

2. WIRE.

a. A mile of four-pair cable was restrung to Bravo 1/12. This was to replace the lines after it was destroyed by the VC. This is the first instance of the VC ripping out overhead wire lines to this degree.

b. The internal wire of the Battalion CP was relaid and grounded in preparation for the monsoon season.

c. Also in preparation for the monsoon season the lines to Bravo 1/13 and 1st Battalion 3d Marine FSCC were relaid.

d. The wiremen of the battalion continued to maintain 175 miles of wire.

3. MESSAGE CENTER. The message center processed a total of 364 messages (172 unclas, 192 class) during the month.

4. MAINTENANCE AND SUPPLY. During the month the battalion experienced a critical shortage of dry cell batteries, BA-30.

5. TRAINING. During the month, the newly joined personnel were given OJT in the aspects of artillery communications and the new family of radio equipment.
