5. INTELLIGENCE

a. Liaison was established with the District Advisor at Cam Lo resulting in the exchange of information.

b. A thorough study was conducted of known and suspected enemy rocket locations resulting in new counterbattery data. New techniques in counterbattery fires are being developed in coordination with the S-3.

c. Crater analysis teams have been formed at the battery level. A school will convene in December for the purpose of training team members.

d. Intelligence information was obtained directly from the refugee village at Cam Lo for the first time.

6. TRAINING

a. Training in general military subjects, familiarization firing of individual and crew-served weapons, and on-the-job training in all occupational fields is conducted continuously.

ENCLOSURE (1)

CONFIDENTIAL

b. FDC personnel are enrolled in group study fire direction courses from the Artillery and Guided Missile School, Fort Sill, Oklahoma.

c. Personnel are assigned to formal schools commensurate with the training requirements of the battalion and the availability of quotas. During November, personnel were assigned to or completed schools as indicated below:

<u>School</u>	<u>Officers</u>	<u>Enlisted</u>
SNCO Leadership Indoctrination		3
NGO Leadership		2
Ammunition Technician		2
Infantry Weapons Repair		2
Embarkation	1	1
Communications/Crypto Security		1
Personal Response		1
Sound Ranging		6
Military Justice	1	
Registered Publications	1	
Civic Action Orientation	1	

d. M-16 rifles were issued to all enlisted personnel of the battalion required to be armed with a rifle by T/O. Orientation training was conducted by the M-16 Rifle Instructional Contact Team from Division. This instruction was designed to train a minimum of 10 personnel in each battery who will be subsequently utilized as instructors.

e. A troop indoctrination program for newly joined personnel was initiated during this month. This orientation was presented by the battalion staff to 30 personnel and will be scheduled on a monthly basis for personnel joining during the previous month.

7. COMMUNICATIONS

a. Preparation for the Division inspection occupied the major portion of this month's schedule. All battery records were checked against equipment on hand. Maintenance and supply procedures were scrutinized and appropriate corrective action initiated.

b. The message center processed 938 incoming and 69 outgoing messages during November.

c. Mount out boxes are being prepared for all communications equipment in order to be prepared for short notice embarkation orders.

8. LOGISTICS

a. M-16 rifles and associated equipment were issued to the battalion during this period. M-14 rifles were reclaimed and turned in to FLSU-1.

ENCLOSURE (1)

b. MCB-11 commenced construction of hardbacks and jungle huts. Construction for I/3/12 and K/4/12 has been completed. Construction is now in progress at C/1/12.

c. Bunker material remains in seriously short supply.

9. SUPPLY

a. The annual inventory was conducted during November. Discrepancies were noted throughout the battalion and action has been initiated to correct same. The supply accounting procedures has shown marked improvement as the result of this inventory.

b. Status of November requisitions are as indicated below:

<u>Priority</u>	<u>Submitted</u>	<u>Completed</u>
02	39	16
05	30	21
12	533	474
17	192	761

10. MEDICAL

a. Aid stations of this battalion treated 392 personnel, gave 287 immunizations and conducted five sanitation and preventive medicine inspections. There is no evidence of food or water borne disease or illness.

b. There were six non-battle injuries during this period and one person was evacuated due to a vehicle accident.

c. MEDCAPS were conducted at the villages of Hung Phu I and II, during which 1083 indigenous patients were treated.

11. ORDNANCE

a. The availability of PD fuzes has improved appreciably during November.

b. Maintaining M-117 sights moisture free has become a problem due to leakage of the nitrogen gas pressure which results in fogging and rusting. Seven sights have been evacuated for repair due to this problem. K/4/12 currently has one gun in action with a borrowed sight from M/4/12.

c. C/1/12 had one tube worn out in service and replaced during this month.

12. MOTOR TRANSPORT

a. Driver instruction was conducted which resulted in the issuance of 11 operator's permits.

ENCLOSURE (1)

CONFIDENTIAL

b. Three vehicles were turned in to FLSU for third and fourth echelon repairs and one vehicle was returned to service from FLSU. Three vehicles were declared unserviceable by FLSU and replacements have been requisitioned.

c. A safe driving program has been initiated within the battalion. Weekly safety lectures are conducted and the Battalion Roadmaster patrols the Camp Carroll area daily. Signs emphasizing safe driving have been displayed throughout the Battalion area.

13. CIVIL ACTION

a. A number of items have been procured and distributed in the hamlets of Hung Phu I and Hung Phu II. Clothing was distributed in Hung Phu I. Sewing machines were presented to Hung Phu I and Hung Phu II with a view towards stimulating the local economy. Operation Red Wagon commenced with the presentation of 16 red wagons to the children of Hung Phu I and Hung Phu II. The wagons were presented for outstanding achievement both in school and for personal hygiene. The battalion commander presented the sewing machines and red wagons at local ceremonies in the hamlet.

b. Relationships between this battalion and the refugees of the Cam Lo resettlement hamlets are most favorable. This is evidenced by the intelligence information which has been volunteered by the refugees directly to the S-2 of this battalion. This relationship will be cultivated and exploited through MEDCAPS and future communal projects.

c. As the result of a motor vehicle accident between a Vietnamese bus and a vehicle from this battalion, a solatium payment of 2000 \$ VN was made.
