INSTRUCTIONS FOR KEEPING JOURNAL

1. Heading:

a. Unit or Section:

- (1) Enter designation of unit if this is a unit journal for regiment, air group, or smaller unit.
- (2) Enter designation of section if this is a section journal maintained by a general staff section.

b. Place: Enter coordinates or name of locality.

c. From: Enter date, time, and time zone that journal is opened.

d. To: Enter date, time, and time zone that journal is closed.

2. Body:

a. Time In:

(1) Unit Journal. Enter time information is received within unit. In most instances this would be TOR at unit communication center.

(2) Section Journal. Enter time information is received within section.

b. Time Out:

(1) Unit Journal. Enter time outgoing information is delivered to addressee. In most instances this would be TOD by unit communication center.

(2) Section Journal. Enter time outgoing message is delivered to originator's communication center for transmittal, or time information is transmitted by releasing section.

c. Serial No.: Number each entry consecutively as information is received by keeper of journal.

d. DTG: Enter date/time group of radio message.

e. Incidents, Messages, Orders:

(1) Important incidents, messages and orders are recorded as they are made known.

(2) Although brief, entries must include all vital elements of information, such as what, where, when, how, and who.

(3) Original entries should not be altered, but should be supplemented or corrected by later entries when necessary.

(4) A synopsis of written or oral messages is entered in the journal, leaving the full account for the journal file and other supporting documents.

(5) Oral messages are reduced to writing and processed like written messages.

f. Action Taken: This column is used to indicate administrative action taken, such as, routing to cognizant unit staff officer(s), dissemination of pertinent information and/or filing of message. Some of the more common symbols used to indicate action taken are: "M", posted on situation map; "S", circulated to unit staff; "T", information disseminated to troops or subordinate units; "F", filed in journal file.

3. Ending:

a. Summary: A brief summary of major activities, with reasons underlying decisions, is entered in the journal at the close of each day. This is written in narrative form under the column entitled "Incidents, Messages, Orders."

b. Closing: Journals are closed daily or at the end of periods or phases prescribed by higher authority.

4. Journal File:

Journal file is considered a part of the journal. It contains messages, orders, records of conversation, and other documents supporting journal entries.

Annex A (Communications) To Operation Order 3-69

I. Situation

a. Enemy: The enemy can be expected to have limited jamming and imitative deception capabilities.

b. Friendly:

(1) TF Hotel: TF Hotel has full wire and teletype capabilities and can be relied on to send traffic to the Dong Ha rear by secure and reliable means.

(2) 3d Marines: 3d Marines may have radio relay capability to Dong Ha or Vandegrift. The regimental CP can be expected to provide limited back-up and repair capabilities, and be able to augment the cipher capability of 1/12.

II. Mission: The mission of the Comm-Elect sections of 1/12 and attached units is to provide rapid and reliable communications for the artillery units involved in the operation.

III. Execution

a. Hq Btry (fwd): Hq Btry fwd will be prepared to man 7 nets on a 24-hour basis and to come up on-call in cipher on a maximum of two nets. It will supply three watch sections of three men each in the Bn. EDC, and also a 24-hour switchboard watch in the EDC. Priority lines will be laid to the 3d Marines ESOC and the batteries located on FSB SAIGON (computer hot lines). Other lines will be laid on an as-required basis.

b. Firing Batteries: Firing batteries will man Bn FD-1, Bn CID and their respective COF nets. 1st 155 Prov. battery will be assigned a net and directed to contact the FO for observed missions. The firing batteries on FSB SAIGON will tie into lines to the EDC and the EDC switchboard.

c. Coordination Instructions: Frequencies and Mike designators will be those on the 3d Mar Div COI extract presently held by the batteries. Strict adherence to proper radio procedure is mandatory. All units will carry current REX sheets and will know authentication procedure. All radio sites will be sand bagged and the widest possible antenna dispersion will be achieved.

IV. Administration

a. Administration will be handled by the battalion mess.
 About 10 reports will be filed by the most expedient means through the Bn. MSG to the Dong Ha mess.

b. Requests for Comm-Elect items will be handled by the Comm-Elect section mess through the S-4. Requests for resupply will be submitted on the CO's Evening Report for action by the Communications Officer. Repair will be handled through the Bn Central Tech Shop at Dong Ha and will not be handled by the Bn. ind. at FEB SAIGON.
