(4) Average strength for period: 672

b. Sequential listing of significant events especially as they relate to:

(1) Personnel. The battalion was at 92% T/O strength at the end of the reporting period. Shortages that hinder the mission of the battalion exist in MOS'S 0239, 1345, 0846, 0847, 2111, 3041, and 3531. There were 7 battle casualties, 3 of which were med-evacuated, and one non-battle casualty. A total of 60 Marines participated in the R&R program.

(2) Administration. Administrative control of Battery "A", 1st Battalion, 12th Marines was chapped at 1900 hrs on 21 November 1966. Administrative control of this battalion was changed on 10 November 1966 from CO, 12th Marines to CG, 3d Marine Division.

[REDACTED]

(3) Intelligence. Patrols were conducted at an average of two per week during the November period. Two patrols received heavy sniper fire resulting in three (3) WIAs, two (2) of which were med-evac to "C" med. Other patrols were routine with no enemy contact.

1:50,000 maps were distributed to battery A-1-13.

Report of increased VC activity during national holidays was received and disseminated to all batteries, extra security measures were enforced during the expected amount of time..

A-1-12 and L-4-12 were probed by hand grenades and small arms fire during November. Also L-4-12 received mortar rounds in the battery position.

L-4-12 apprehended 3 VC's who were taken to ITT for interrogation.

Sniper fire and mines/booby traps continued throughout November in TAOR.

(4) Training. Training continues to be initiated in conjunction with operational commitments. Battalion size formal schools were conducted during November for Fire Direction Center personnel and to train new drivers. Alert drills are conducted on an average of twice per week in order to improve the defense posture of the command.

(5) Operations. Operation Shasta was conducted from 05 0800 Nov 66 to 19 1800 Nov 66 in the 1/26 TAOR. Battery A, 1st Battalion, 13th Marines and Battery L, 4th Battalion, 12th Marines supported the operation from their original firing position. Extracts from the S-3 journal, enclosure (2) indicated significant missions fired during the operation. 745-155 How and 2667-105 How rounds were expended in support of Operation Shasta and enemy casualties reported were 8 KIA (conf) and 53 (prob). Operation Mississippi commenced on 291030. Nov 66 in the area South of AN HOA in Antenna Valley. Battery F-2-12 supported the operation from its original firing position (87634720). Battery E-2-11 was displaced to coords (044343), and placed under OPCON 2-12 to support Operation Mississippi. 88 rounds were expended in support of Operation Mississippi with no enemy casualties reported. Operation Mississippi is continuing. Extracts from the S-3 journal indicate significant missions fired during the operation. The Battalion fired a total of 207 observed missions 47 unobserved missions and 2098 R&I missions in support of the 9th Marines during November, expending 10,185 rounds of 105 ammunition and 2,196 rounds of 155MM ammunition. Enemy casualties other than those inflicted during operations were 73 KIA (conf) 195 KIA (prob). In addition 5 observed missions were fired in support of 1st Marines expending 181 rounds of 155 and 64 rounds of 105 ammunition. 1st Battalion, 11th Marines batteries fired 3 missions reinforcing 2/12 expending 629 rounds of 105MM ammunition. Cumulative casualties by 2/12 for Nov are 81 KIA (conf) 248 KIA (prob) and 3 WIA (conf). In addition 13 boats, 21 buildings, and 2 caves were destroyed.

(6) Command and Control. The command post location and mission of 2d Battalion, 12th Marines remains the same. Administrative control of 2d Battalion, 12th Marines was changed on 10 Nov 1966 to 3d Marine Division. Operational control of 2d Battalion, 12th Marines remains with 11th Marine Regiment, 1st Marine Division.

[REDACTED]

(7) Communications/Electronics. Received 9 FLD radio operators. Set up a test circuit for operational check of KY-38 equipment. Laid two land lines to LVTH platoon. Installed phantom circuit to HQ's 11th Marines. Obtained 1st Division CEOI. Supported Operation Mississippi with 4 additional radio operators, PRC-47, PRC-25, and 2 RC-292's.

(8) Logistics. The logistic situation within this command remains satisfactory. There was marked improvement in the problem area of 2d and 3d echelon repair parts. These parts are now more readily available. Batteries for motor vehicles are still hard to obtain, however. The overall deadline rate for this command is now 8%. The cantonment for Headquarters Battery was completed during this period; however, bunker materials are still required for Battery "F". This command currently has ADCON of two 105MM Howitzer Batteries and one 155MM Howitzer, M-109 Battery. We are also providing limited logistical support in the areas of weapons and ammunition to Battery "D" 1st Battalion, 11th Marines which is OPCON to us.

(9) Civil Affairs. Civil Affairs work during November continued on various projects. Civil Affairs NCO attended a Civil Affairs conference with the G-5 1st Marine Division. The 2nd Battalion, 12th Marines continues to support Le Dong school. Total of 9 (4 adults and 5 children) Vietnamese were taken to USOM hospital for various treatments. Contributed tin and ammo boxes to families for repairs of homes. Total food-stuffs and clothing during November were 69 pounds of food, 150 pounds of clothing, 80 bars of soap, \$3,000 (VN) piasters and 100 pounds of miscellaneous supplies. Also distributed 20 bushels of spoiled corn and rice for hog feed. Medical treatment was given to 1057 persons during November.
