SECRETCOMMANDER'S NARRATIVE

During the period 1-14 July 1967 the Battalion prepared for embarkation and subsequent deployment to the Republic of Vietnam. The Battalion, minus Battery "K", 4th Battalion, 12th Marines, deployed on the first available shipping as directed by Commanding General, 9th Marine Amphibious Brigade message 0140040Z July 1967. Battery "K" was prevented from deploying with the Battalion due to the lack of five Howitzers, four of which required final refurbishing by the 3rd Force Service Regiment and the receipt of one replacement Howitzer from the United States. This Battery is scheduled to deploy at a later date.

Embarkation commenced on 14 July 1967 with the 5th 155 Gun Battery (SP) and the 1st Platoon, 5th 8" Howitzer Battery (SP) embarking aboard the USS Gatamant (LSD-17) for transportation to RVN. This ship departed Okinawa 15 July 1967. On 18 July 1967 embarkation was completed by the Headquarters Battery aboard the USS Washtenaw County (LST-1166) and departed Okinawa.

During transit to RVN the 5th 155 Gun Battery (SP) and the 1st Platoon, 5th 8" Howitzer Battery (SP) were task organized by Commanding General, 9th Marine Amphibious Brigade message 0170545Z July 67. The task organizing consisted of the formation of a Provisional Battery containing the Headquarters Section of the Gun Battery, two 155 Gun Sections and the 1st Platoon, 5th 8" Howitzer Battery. This Provisional Battery was deployed in the Chu Lai area. Two additional platoons were formed from the remaining four 155 Gun Sections. One platoon deployed to the Can Le Area and the other to the Da Nang area.

On 19 and 23 July respectively the USS Gatamant and the USS Washtenaw County arrived in Da Nang, RVN. The 3rd Marine Amphibious Force arranged transportation which conveyed the various elements of the Battalion to their ultimate destinations. Upon arrival at the final destinations work commenced to provide operational artillery support to various ground elements of the 1st and 3rd Marine Divisions.

Headquarters 1st Battalion, 13th Marines disembarked at the Cua Viet River, moved to Dong Ha by LCU and on 29 July completed the overland movement to Khe Sanh. On 27 July 1st Battalion, 13th Marines came under OPCON Regimental Landing Team 26, and on the same date the Battalion assumed OPCON of Battery "A", Battery "C", and Mortar Battery 1st Battalion, 13th Marines.
