NARRATIVE: (Include times, names and coordinates, pax, avacs, cargo, VIP names, change of a/c, crew, etc.)

Departed Da Nang at 1210 for TRIN KY CP. Relieved the aircraft assigned for the mission & delivered JP4, pump & ammo to HOIB's. After much discussion it was decided to go to Viet An in order to plan a lift of traps to a blocking position at LZ AT 941215. Pickup was at AN TRANG B. 005 235. Artillery fire from Viet An was followed by HUIB's upon a firing pass when the H-34's went in. Hips were made by each helo. Lack of fuel had the HOIB's go to Tanay. (Continue on back sheet)

Armed escort (Comment on effectiveness, timeliness of fixed and armed rotary wing escort, and own armament)

Effectiveness was mixed. Weapons aboard H-34's were employed.

Tactics (Comment on tactics - effectiveness and weakness)

Only fire on LZ - HUIB's firing pass as first helo goes in - apparently effective - no risk taken.
