REPORTED TO BE FOR DISTRIBUTION OF SOME 2,000
UNDERWATER AND ANTI-TANK MINES TO BE EMPLACED

Subject: Operation Hickory and Lam Son 54

Source: Col ORD, FMFPAC, G-3

In response to question posed by MCCC Col ORD provided the following:

1. The general locations of the units in Lam Son 54 are somewhere in the area between the Eastwest GL 72 and 71 and the Northsouth GL 17 and 24. They are moving south on the eastern flank of 2/3. The airborne units are east of 2/3 in the following order west to east: 3d, 5th and 9th. (Col ORD is not sure of the ARVN Bns but thinks 2/1 and 4/1 are located east of the airborne with 4/1 being the eastern Bn of the Sweep).

2. The contact that 2/3 had on the 25th was estimated to be against an enemy platoon at YD135730. They were in a triple bunker complex. When 2/3 attacked, the enemy pulled out. 2/3 movement has been slowed by the discovery of several enemy installations.

3. The contact by elements of 2/26 and 3/4 on Hill 117 is continuing. (Col ORD is hopeful that more info will come in on the WHSR Summary. If it doesn't he will initiate a call tomorrow morning in an attempt to gather more info. He also advised that voice communications between the 3d MarDiv CMC and III MAF have been slow causing a delay in reporting.)
