PERSONNEL SHORTAGES

1. 1stMarDiv

a. Officers

(1) Division is currently at 93 percent of overall officer manning level due to a recent manning level decrease of twenty three officers. Foregoing change to manning level increased auth total of majors and captains by twenty and five respectively which in turn lowered the availability in those grades to 73 percent and 62 percent. Supply captains are at 20 percent availability. Overage in supply lieutenants does not compensate for experience losses represented by lack of supply captains.

b. Enlisted

(1) Critical shortages exist in following MOSs:

<u>MOS</u>	<u>AUTH</u>	<u>ACT</u>	<u>PERCENT</u>
0239	30	18	60
0842	27	12	44
0844	232	102	44
0847	17	7	41
1391	224	91	41
2311	166	74	45
3211	74	26	35
3516	780	449	58

REVISED END FY65 MANNING LEVEL

MOS 3516 REQUIREMENTS INCREASED 100

(2) Following resources available to assist through on-the-job training and formal schooling to improve personnel situation in above MOS:

(a) 55 basics OF 08 assigned 11th Marines for OJZ in MOS 0842, 0844 and 0847. 464 basics OF 08 on board. OF 08 100 percent overall.

(b) 407 basics on board in OF 13. OF 13 88 percent overall.

(c) 1 basic on board in OF 23. OF 23 50 percent overall.

(d) 16 basics on board in OF 32. OF 32 72 percent overall.

(e) 598 basics on board in OF 35. OF 35 85 percent overall.

(3) Estimated number of basics to be assigned appropriate primary MOS within 30 to 90 day period are as follows:

<u>MOS</u>	<u>30 DAYS</u>	<u>60 DAYS</u>	<u>90 DAYS</u>
0842	2	0	2
0844	14	22	40
0847	3	0	0
1391	1	0	75
2311	0	1	0
3211	1	4	11
3516	54	31	69

c. Enlisted (Navy). A major problem exists in the number of USN medical personnel available:

<u>BUPERS ALLOWANCE</u>	<u>ACTUAL</u>	<u>PERCENT OF BUPERS ALLOW</u>
750	612	81
<u>T/O AUTHORIZED</u>	<u>ACTUAL</u>	<u>PERCENT OF T/O</u>
1042	612	60

Personnel status report may not be appropriate vehicle for Navy personnel considerations, but shortage of Navy medical personnel is deemed critical and adversely effects ability this command carry out assigned missions. Recommend that as essential first step, action be taken to obtain assignment all Navy medical personnel authorized by current BUPERS allowance.

d. This report has considered personnel situation in 1st FSR.

e. Reclassification and reassignment Motor Transport pers IAW MCBJ 500 is continuing. Six primary and seven additional MOS 3516 assigned. Seven marine

DECLASSIFIED

DECLASSIFIED

with 3516 primary MOS reassigned to MOS 3516 duties. Found 4 cases improper school codes indicating completion Auto Mechanics School when individual had not attended. Found 7 cases Auto Mechanics School graduates where marine had subsequently received additional and higher level formal training outside OF 35. Present primary MOS judged correct and marine properly classified.
