7. (S) Air Operations

a. Photo

(1) During the month of April, this squadron continued to fly photographic reconnaissance in the I Corps area as well as in the DMZ and southern North Vietnam. Weather conditions throughout April dictated the loss of only twenty-two (22) scheduled photo missions and the squadron completed two hundred and forty-six (246) targets. IR coverage increased two fold over the previous month. This was due to better prevailing weather conditions throughout the I Corps area and the addition of available IR targets located in Laos. Missions flown in the Laotian area were highly successful throughout the month of April with much significant data being garnered.

(2) There were two hundred and twenty-nine (229) photo sorties flown during April 1969. There were eighty three (83) sorties cancelled: nineteen (19) by the 7th AF, twenty two (22) for weather, thirty seven (37) for aircraft availability, and five (5) by the squadron operations section.

(3) Laboratory Data:

Number of Negatives Printed	206, 564
Feet of 9" Paper used	93, 990
Feet of 5" Paper used	6, 570
Feet of 9" Positive Film used	13, 950

b. Electronic Warfare

(1) During the month of April, the tactics employed by VMCJ-1 in support of the DMZ remained the same as previously reported. The Squadron has continued to provide ECM support for Navy and Marine Corps Blue Tree Photo Reconnaissance Missions. In addition, support was provided the 7th AF on ARC Lite missions, and a new passive track has been utilized which extends from 1630N 10640E to 1800N 10525E flown over Laos for detection of possible emitters within Laos. One additional tactic employed by VMCJ-1 is the carrying of the Shrike missile on the EA-6A. Both active and passive aspects increased as compared with the previous month; emitters jammed increased 17%, emitters detected passively increased by 82%. Overall emitter activity was considered light for the reporting period.

(2) Through the month, the following emitters were jammed in support of Navy, Air Force, and Marine Strikes:

FANSONG	4
FLATFACE	25
FIRECAN	19
ROCK STONE CAKE	4
GUIDE LINE BEACON	4
CROSS SLOT	2
