					CALL SIGN

- A. Checked in with An Hoa DASC assigned to work with Parker Pen (3/5) Diverted
- B. Diverted to work with Bright Lad 14 with Troop in contact. Receiving Mortar & automatic fire 200 meters from their position. On FW on Station had DZ (500lb) elected to drop them due to situation. Instructed ground to get cover from possible Shrapnel. Had ground smoke their line and we marked the target and proceeded to attack the tgt. We could observe intensive automatic fire AT THE AT835487. I request the flight ripple on the position and we got a direct hit on the AW position #2 got a direct hit on the mortar position. Ground reported another position AT834489 which was 150 meters. We then dropped another flight with NAPALM #250# bombs and the fire stopped from the South and started from the northwest at the AT825495. We observed 8-10 Males, rifles, blk pj, run into the tree line & trench. we dropped a third flight on the tgt, with excellent coverage. Relieved by Head Cold 65
