1. Checked in with 2/5 - UNIT REQUESTED VR & A/S ARTY ON THE AT ~~895532~~ ⁸⁹⁵⁵³². Requested the AIR FROM AN HOA DASC and sent fire mission to defend (2/11) while VR'ING Around 2/5's positions observed 20-25 males walking south in groups of 3-5 from hootch to hootch - Tree line to tree line. Made one low pass and observed one carrying rifle. We requested to make a gun run in front of them in hopes of stopping their advance. One ^{our} first run one gun continued to fire and on pull out we were informed a Marine was creased on the buttox - From that point on we could not convince 2/5 to let us place some fire on the retreating males - Villagers also started leaving to the South as the males approached the villages. 2/5 said they were going to set up a blocking force and attempt to stop them.
