1500 Sent to work for recon unit near Hatten in ZC 0957 by Composite Base VR of area while trying to establish comm. Noted well used trails in use of ZC 035 574. Neg comm with med Hatten so was diverted to VR in auditor area on way out at ZC 117 557 noted two sampans heading east. One sampan had 2 mules on and as we flew over they hurriedly raised a Vietnamese flag.

1530 Reached Auditor area and mentioned Warship Hotel 14's request for help to Auditor 14. Checked in with Auditor 14 and consented to work with Warship Hotel who were in contact in the AT 9450. Hotel had taken heavy fire from AT 949 509, they requested we make a couple gun runs. At the same time we put in a request for air and made gun runs while waiting. We then saw the air, on at 1630, off at 1645 4 D24's, 4 D 7's BPA, 10 KBA (four of which were killed by DV 101). We then departed area and relayed request by Hotel for another AO as enemy fire persisted. We took one but departing area.
