on 17 May we intended to have
 found a NVA base camp via ZC 15342
 the report of the NVA soldiers.
 (17 May - 20) The base was attributed to
 ZC 11346. We had a position ZC
 11347. The terrain is thick
 of vegetation. The base house, MKW 1
 at 1200 ft. on 17 May 1968. Base
 - the "broken school" would be the
 a support, base on the left. The
 weather was very hot, late in the day.
 1515 ft. The base was 2400' above
 water. It was a village about 1000'
 in altitude. Not one ft. of ground was
 in the hill. It was very well hidden
 from the 2 hour patrol while "high
 school" was in the air. Why?
