CONFIDENTIAL WHEN FILLED OUT

This mission is consistently screwed up. C Provide is NEVER ready to start when A/C arrive but FLAKY SNOW always has something else for A/C to do. When the mission finally starts, coordinates + frequencies are NEVER correct, teams get wrong leads because C Provide programs incorrectly, teams are not ready to receive resupply, radio operators are not up on pre-briefed freqs, tasks are added on + on + on. Frequencies are unbelievably crowded so everyone cuts out everyone else. Today the following stations were up on 49.4:

1. Millbrook CP
2. " L
3. " M
4. " K
5. " I
6. C Provide
7. LZ Cobra
8. Parker Pen E
9. " " G
10. LZ Ross

These conditions do not occur occasionally, they occur daily. There is a total lack of discipline + organization.

JJ Pijon
