continued in orbit at least 3 times. As gunship
 escort I stayed low flying in the ~~immediate~~
 immediate vicinity of the zone after passing
 thru the zone about 5 times. The A-1's still in
 orbit. Then on one pass about 200 ^{meters} ~~meters~~
 to the North of the zone and 100 meters ^{East} from
 a ARVN convoy one of the A-1's rolled in
 and released approximately 10 ~~bombs~~ ^{bombs}, 2 of which
 landed about 50 meters off my 2 o'clock.
 The OIC called me and advised me that had
 happened and to stay clear. He had no
 control over the A-1's. This was the only drop
 made. We had been in the zone over 4 min.
 at this time. ~~There were no other drops.~~
