Mission 63 K1-4-11 + PG-1-18 departed Ky Ha 0635 for ROK-CP. 0745 picked up General Kim and party departed ROK CP to observe Dragon Fire Operation from the ocean North ^{AND} South of LZ Alpha I. BS 782 828. General noted many fishing boats had left the beach areas and headed north + south along ^{the} coast. He wanted to check (cover)

(Carried 300 lbs Ammo)
18 passengers.

-9-117

these boats out from a low level, which KL-4-11 did. His swift boats were stopping the fishing boats and checking them out. General felt many V.C. left the area in this manner. Many of the boats had 6 to 8 young men aboard them. More young men than I have normally seen aboard such craft. 0800 KH-11 + PG-1-18 returned to ROK C.P. alternate pad and General Kim + party departed A/C. I was told to standby for a 0930 T.O.

~~0815~~ Marine Major (I believe his name is Olson) told me they had Med Evac's at Lakin Rebel 14A's position [BS 722 896] and the General said for us to pick them up and return at 0930. At this time we refueled and picked up M-60 ammo for my fixed guns. ~~PG-1-18~~ PG-1-18 would make pick up. KH-4-11 one-pilot A/C + PG-1-18 had no ~~stretchers~~ ^{stretchers} aboard. 0825 KH-4-11 + PG-1-18 proceeded to Lakin Rebel 14A [BS 722 896] position to pick up two WIA's, LZ secure had received sniper fire earlier from S.E. zone marked by smoke PG-1-18 made approach from over water, no problems. At this time received Med Evac mission from Lakin Rebel 14C, 1 WIA [BS 726 885] approx 1000 meter south, so PG-1-18 picked that WIA also and both A/C departed LZ Areas for 1st Med + Ky Ha. Arrived Ky Ha 0900. Refuel, picked 1200 lbs of M-60 ammo + smoke to take to Past 14 LSE. K-4-11 (300 lbs) PG-1-18 (900 lbs) ammo needed at once. 0915 departed Ky Ha for ~~Past~~ ROK CP, upon reaching CP told Past 14 load that ammo would be dropped in alternate LZ. PAST 14 said he would send track over to pick it up. 0935 General Kim + party waiting upon arrival off loaded ammo, pick up staff proceeded to LZ Alpha. After watching beach landings + helio landings in Area General wanted to land at Scorcher 14C position on the beach [BS 758 819]. Scorcher 14C at time received two WIA's so KH-4-11 picked up two WIA's, left camera men in LZ returned WIA's to ROK Hospital, then returned to LZ pick up camera men. Departed LZ Scorcher 14C position for Scorcher 14 "A" [BS 782 828]

(See attached page 1)

page 1

K2 4-11 landed LZ Alpha and stayed on deck for
 appx 7min while General talked with his staff.
 Departed LZ Alpha and returned General Kim & staff
 to ROK CP at 1045. 1125 General Kim's Chief of
 Staff wanted to go to LZ [BS 758 819] (Scorcher 14C)
 LZ Alpha [BS 782 828] and Ham Salad 14 Forward
 [BS 701 829]. Completed this tour remained on deck
 at hill top 109 appx 15 mins. Returned Chief of Staff
 to ROK CP at 1200. Past 14 was calling some one to
 get more M-60 Ammo. I told Past 14 load the ammo
 was never picked up at alternate LZ so K2 4-18 +
~~PG~~ PG 1-18 picked up ammo and dropped it at LZ E.
 The much needed ammo had been there on the deck over
 an hour and not moved. PG 1-18 stayed ROK CP
 K2 4-11 returned Ky Ha for fuel due to ROK CP LSE
 was out of JP for UH 1Es. landed Ky Ha 1245.
 1300 K2 4-11 departed Ky Ha returned ROK CP 1320
 shut down for lunch and further instructions.
 1510 General Kim and party wanted to visit Scorcher 14C +
 14 A's positions. K2 4-11 + PG 1-18 departed CP for
 Scorcher 14E landed both A's at appx [BS 758 819] on
 beach. Remained turned up on the deck appx 10min.
 General Kim & party was then lifted to Scorcher 14 A
 LZ "A" BS 782 828. PG 1-18 said he was low on fuel
 the LSE had no JP fuel, LZ Alpha was reported to
 be ~~all~~ all secure no problems, so I felt to go back with
 (cont page 2)

page 2

PG 1-18 would put me low on gas, LZ was secure + General wanted to remain on deck for appx 15 min. I told PG-1-18 to drop off his party refuel + return. 1545 shut down. After 10 mins. I felt I maybe a good mortar target by now so turned A/E up. At appx. 1605 PG 1-18 was landing behind me, the LZ received one in coming round, I thought it was a mortar. My A/E was headed appx 030° 1st round hit appx 200 meters my 1 o'clock, second round hit appx 100 meters my 7 o'clock, General Kim and party appx 200 meters my 4 o'clock and driving into ditch. I lifted, PG 1-18 waved off. 3rd round hit position where I was parked, 4th round over my 12 o'clock in water. I lost my FM. could not get team on deck, could not raise PG 1-18 on Black UHF. Much shooting in area, so set up orbit South over water called Land Shark Alpha for help to try to contact my wing man and to get some A/E (Togo?) with FM that could clear me back to LZ to pick up my VIP's. I stayed on the deck for 1st two hits but they were in line for my A/E. If I would have remained 3rd hit would ~~after~~ have hit A/E. Land Shark Alpha could not raise wingman ~~nor~~ nor I, tried Guard, Black, etc. radio's poor, FM out. TACAN out, maps out the door - During this period of orbiting (cont page 3)

(page 3)
PG 1-18 contacted Scorch 14A found out the rounds were from friendly Arty. Had LZ pop green smoke, and he passed info to Land Shark Alpha. I saw Green smoke so made approach picked up General Kim + party. Lifted LZ Alpha. returned to [BS 758 819] dropped off two passengers then returned to ROK CP with General Kim, ~~to ROK~~ (1725) and reported Arty problem to Past 14

1500 4-11 + PG 1-18 departed for Ky He
1820 mission 63 complete -
