Base Camp area V.2 Coor X D 885554
 appears old but has signs of recent activity.
 Extensive trail activity throughout
 the area. Base Camp areas had thatched
 roof hooches (Est 10 in each camp)
 bunkers (10-15 each camp) and trench
 complexes throughout the areas.
 Both areas are located on knolls
 between high ridge lines and a draw
 with water draining off. Appears to
 be possible Company size area.
