The above items of interest are a few things that MAG 11 Chaplain participated in during the month of June 1967 other than the regular work of counseling, visiting the flight lines, answering letters of parents and families. This like many other months here in Vietnam I found myself busy helping and assisting the serviceman, his family in many cases and also the missionaries and the Vietnamese in the Danang area. This has been a busy, pleasant and rewarding month. Perhaps the highlight of this month's work was the dedication of our new chapel. It indicates the concern, desire and the ability of our own Marines who "can-do" when they are given an opportunity.

The men who built the chapel are to be congratulated for an outstanding job. In the Navy we say, "well done" utilities. You all have worked hard and your accomplishments are outstanding.

Respectfully submitted,

William C. Davis
Protestant Chaplain
