Along with the above items of interest the Protestant Chaplain's Office delivered a daily supply of eggs, milk, juice and fruit to the Christian and Missionary Alliance Compound in Danang. Fresh water was also delivered to the CMA Compound at an average of three times a week in water cans as a result of the well in the compound being inadequate in providing an ample supply of water.

These are a few things other than the regular duties of counseling, visiting the flight lines, answering letters of parents and families, and making visits to the Medical wards and hospitals that the MAG-11 Chaplain participated in during the month of July 1967. This, like many other months here in Vietnam I found myself busy helping and assisting the serviceman, his family in many cases, and the missionaries and the Vietnamese in the Danang area. This has been a busy and rewarding month as well as a sad one. Perhaps the highlight of this month's work was the dedication of, and the concern expressed over the damage done to our recently dedicated Chapel. We have been assured that the Chapel will be rebuilt as a symbol of our faith in God and a further indication of the "Espirit de Corps" which I have encountered while serving with the Marines in Vietnam.

Respectfully submitted,

William G. DAVIS  
Protestant Chaplain
