1. August saw the completion of one of our long-rang projects. The cattle vaccination program was a complete success. A total of 58 water buffalo and 9 cows were vaccinated for Herindepest and Tuberculosis. All sick animals were treated. MAG-11 received a good deal of publicity for this project and a "Sea Tiger" story is going to be released.
2. The Tillopia fingerlings have been ordered and the fish pond in LoGiang was completed this month. The Le Son pond has been checked and is also ready for the fish. Due to an expected early monsoon, the fish will not be stocked until after the heavy rains and flooding subside. This is being done to preclude any chance of losing the young fish.
3. The nurse training program was readied and all details taken care of when the Group Civic Action Officer learned that the trained nurses would be subject to assignment with government units. This would in no way benefit our hamlets. I cancelled that program of training for the nurses. The MAG-11 Medical staff is being most cooperative and this project is going to succeed.
4. A pig program has been discussed with both hamlets and the people are strongly in favor of this new program. A problem exists in not having a source of cheap feed for the young pigs. A study is being made of similar efforts in the nearby islands of the Philippines and Taipei.
5. A number of smaller features in our Civic Action program were accomplished. The Le Son school was repaired. work continues on the Lo Giang school. A shortage of materials has slowed progress. The MEDCAP program has been treating more people than ever before. Two large shipments of clothes were distributed in both hamlets. Other clothes are on the way.
6. Security became a primary issue during August. The offensive necessarily slowed all civic action work. With infiltrators in the area, the people are naturally going to be hesitant in responding as openly as before. We will direct our efforts and programs accordingly. As an atmosphere of stability is restored, we can begin rebuilding where things were halted. Above all, we must retain the trust and friendship of the people.
