Subj: Command Chronology for January 1969

1. January was a very successful month for all of our current projects. The old school was repaired and the new school is rapidly nearing completion. There were two separate groups of people working on the two schools for a 6 day period. Two squadron projects were also advanced and one work team from VMFA-542 helped clean up the old CAP compound.
2. The 1st MAW has chosen our hamlet to be the recipient of the first 4-T program in the Wing TAOR. The trained Viet advisor has visited the hamlet and met all of the dignitaries. He is now ready to begin the program with the children of the hamlet. We anticipate much good from this program in the future.
3. We held a TET party for the children in our schools. A very social atmosphere prevailed throughout. The people joined in with the members of the team, CAP personnel, and all of the children for the morning's activities. We contributed 1000 cookies and much Kool-aid to the occasion and everything was consumed.
4. A clothing drive was conducted back in Zanesville, Ohio, after a MAG-11 Warrant Officer wrote home of the need for clothes in our hamlet. This month saw the arrival of 1100 lbs. of clothes from Zanesville. These different outfits of clothes will be separated by the team and then distributed to the people prior to TET.
5. The tactical situation remains a paradox to all concerned. There has been some definite infiltration into our hamlet but no damage as yet. With the arrival of TET, we anticipate a general increase of enemy activity and preparations have been made for it. We can do nothing more than prepare and wait for further developments.
