Subj: Command Chronology, month of March 1969

1. During the month of March, the MAG-11 civil affairs team completed three days of civil affairs school at III MAF. The team was then placed in the hamlet of Lo Gian to work with the CAP unit in that area.
2. The CAP company commander is very receptive to the idea of civil affair teams working with CAP units. The mission of both the CAP and C/A Team is much easier in that the CAP can handle the tactical situation while the C/A team is able to work with the people.
3. In regard to projects, the seven rabbits given to Lo Gian are doing well, including two females expecting litters soon. Two hogs in the hamlet have produced litters and are ready to be bred again. The fish pond is doing well and now contains quite a few fish.
4. The villagers are still in the process of repairing homes damaged during TET, and construction on the school house has been delayed. I anticipate that completion of the school will begin shortly.
5. The civil affairs officer and chaplains met this week. Several areas were discussed and it was decided that the church and civil affairs office will work much more closely together than in the past. In this respect, 1/Lt KENNEDY, VMGJ-1 civil affairs officer, has been making numerous trips, with five or ten men, to various orphanages, helping to entertain the children.
