NARRATIVE SUMMARY OF SIGNIFICANT HIGHLIGHTS

1. (U) During the month of December 1969, MAG-11 squadrons flew a total of 1982 sorties, logging 3035.7 hours and expending 5717.8 tons of ordnance.
2. (S) During the month of December 1969, MAG-11 commenced participation in a major out-of-country operation. Termed "Commando Bolt", this involved real time truck movement reports to strike aircraft from Copperhead, the coordinator at Task Force Alpha, Nakhon Phanom RTAB. These reports are based on sensor activations which are computer processed and correlated to statistical data. Using the inherent capabilities of the A6A Intruder to navigate precisely and acquire truck movers on radar, the mission was an immediate success. From the outset the attacking A6A aircraft were subject to intense AAA fire. To counter this threat, VMFA-542 was assigned the mission of providing a flak suppression escort. As these are night, lights out operations the coordination and timing are critical. The effectiveness of the escort became evident quickly. Both the number of fire incidents and the intensity of fire were reduced sharply. VMFJ-1 has had a continuing responsibility for MAG-11 aerial photo BDA confirmation and active ECM support for Commando Bolt Operations. The latter point is significant because of increased enemy radar threats and the existence of a confirmed SAM ring which covers a portion of the Commando Bolt area. In view of the involvement of four of the Group's squadrons, this operation is a high point in the continuing program of integrating the capabilities of assigned aircraft and weapon's systems. While engaged in the Commando Bolt operation and mainly attributable to it, this Group destroyed or damaged 120 trucks, caused 233 secondary fires, destroyed 10 ZFU/23/37mm guns and silenced 41 guns in the act of firing. Additional BDA for December is listed in the Intelligence Officer's report.
3. (S) On the night of 7-8 December 1969, Manual 46, a flight of two F4B's from VMFA-542 dove through a hail of intense 23mm fire in the Steel Tiger area silencing three AAA guns and causing some 50-60 secondary explosions. The flight leader was Maj. L. W. ROBINSON, with RIO, 1/Lt. BLAKELY; and 1/Lt. VADYAK, with RIO, 1/Lt. MIKULKA were the crew of the second aircraft. This mission was flown in support of 7th Air Force.
4. (U) On 12 December 1969, Col. Frank BORMAN, USAF, NASA, visited the MAG-11 area. During his tour of the area, the Apollo Astronaut took time to stop at the flight line and hangar area and discuss his experiences as an Astronaut with the officers and enlisted men of the Group.

5. (S) On 18 December 1969, the first armed reconnaissance sorties into the Barrel Roll region of Laos commenced. The first such mission was flown by LtCol. J. J. P. REDDY, Group S-3 and 1/Lt. B. CUMMINGS, VMA(AW)-242, and resulted in a photo confirmed truck destroyed.

6. (S) On 27 December 1969, Maj. E. E. LEWIS and 1/Lt. P. E. PHILLIPS flying a VR mission in a T44F were downed by AAA fire. The crew of the T44F was recovered 23 hours later after an intensive AAA suppression effort flown by 7th Air Force and 1stMAW units, including VMFA-542. These efforts enabled an Air Force rescue helicopter to make a successful pick-up. Sandy O1, an Air Force A1, coordinated the strike and rescue mission.

Subj: Command Chronology, Month of December 1969

1. The month of December saw a change in the Civil Affairs Officer-in-Charge. The first part of the month was spent largely in introducing the new Officer-in-Charge to his job.
2. A meeting was held with the village and hamlet chiefs. Quite a number of people attended. In this meeting it was made emphatically clear that unless the villagers used the GVN we could do nothing for them. Not long after this meeting Mr. GIAP the Village Chairman submitted a request to District for materials to finish the partially constructed school in Lo Giang. The request has already been given to Province and been approved. Whether Mr. GIAP submitted the request as a result of the meeting is unknown. It is a significant event, though, in that it demonstrates to the people that their government will work.
3. The Civil Affairs Officer attended the MACV/CORP/Orientation Course in Saigon from 17 December to 24 December 1969.
4. On December 22 a Christmas Party was held for the Vietnamese Workers in the MAG-11 Compound. Special mention should be made of Lt. WYDEL who acted as Officer-in-Charge in my absence. It was through his vigor that the party was successful. Also Captain WALTZER IRO Officer who made sure that a delicious chicken dinner was served as requested. The Civil Affairs Team acted as waiters and served the guests. A raffle was held and ten gifts were given away. Each person was given a small bag of assorted candies and fruit. Music was provided by the First MAW Band. Thanks to all those involved, the party was a tremendous success.
5. In the later part of December the Civil Affairs Team started to repair the two roads in Lo Giang. Although this appears to be falling back into Civic Action it is not intended that we do. Repairs on the road were commenced because it is felt that they are an asset to the operation of the Civil Affairs Team. And also it was largely due to Civil Affairs Activity that the roads have been rendered impassable. With the help of MABS-11's heavy equipment and operators the condition of the lower road has greatly improved. Our thanks also extends to "B" Company, 7th Engineers for nine truck loads of fill which they gave to help repair the road. Work on the roads will continue into January.

5. Med-Caps in Lo Giang have reached an all-time low. In the month of December only thirty people were treated. The reason for this low showing has not been completely determined. Some of the villagers have complained that the Vietnamese nurse who comes with the Med-Cap mistreats them, and for this reason they do not come. It is believed however that because Lo Giang has had frequent Med-Caps for so long that health conditions in the hamlet are such that a full Med-Cap is no longer needed. It has been suggested that every other week a doctor and a corpman come out to the village to visit with the seriously-ill. The rest of the minor illness that occurs can be taken care of by the CAP Corpman. Unlike Lo Giang the Med-Cap at Lieu Lac has been a big success. This past month over 300 patients were treated in that hamlet.

7. Personal Response School was held twice this month for one hundred incoming marines. The school stimulated a lot of discussion on getting along in a different culture which is a sign we are making positive results.
