- c. Total MedEvac..... 4
- d. Total number of man days lost..179

Hostile

- a. Killed in Action..... 0
- b. Wounded in Action..... 7
- c. Missing in Action..... 0

4. Civil Affairs.

a. 1 August: Fifty 55-gallon drums were taken to Dickey Chapelle Dispensary. National and province newspapers were distributed throughout the four MAG-13 hamlets and An Tan. Hand-operated water pumps were repaired by MCB 74 and were returned to the hamlets where MAG-13 personnel installed them.

b. 2 August: Cardboard signs were artistically printed bearing slogans expressing good health and hygiene policy. The signs are to be posted in the four dispensaries in the MAG-13 area of responsibility. The CA team members were guests at a Vietnamese home this evening for a meal.

c. 3 August: Thirty-six 4x4's were delivered to Long Phu I's dispensary construction project.

d. 4 August: Medcap to Long Phu II treated 27 people; three dental patients were treated. A Vietnamese baby was medevaced for pneumonia symptoms. The CA team dined at a Vietnamese home this evening; the host was expressing gratitude for medical aid received in the past by MAG-13 medical personnel.

e. 5 August: Forty 55-gallon barrels were delivered to the Dickey Chapelle Dispensary; the barrels will be set into the ground as the receptacle component of the water-seal privies now under construction.

f. 6 August: Fifty water-seal privies (styled from those in Thailand) are ready for distribution. Fourteen bags of cement were delivered to Dickey Chapelle today.

g. 7 August: Colonel James H. BERGE, Commanding Officer, MAG-13, Lieutenant Colonel Frank PETERSON, Commanding Officer of VMFA-314, Captain Paul BALTIM, CA officer of VMFA-314, and 1st Lt Robert RAMSEY, CA officer of VMFA-323 accompanied the Group Civic Action Officer to a sanitation/Public Health ceremony at Dickey Chapelle Dispensary. Group CA personnel were present and were praised by the Vietnamese for their efforts to make sanitation improvements possible. Speeches were made by Vietnamese officials and the Group CAO; the ceremony ended as instructions were given on construction of the water-seal privy and fifty cement-molded privies were distributed to civilians at the refugee hamlet.

Twenty pieces of lumber were taken to Long Phu I for the dispensary project. A male corpse was found behind the hamlet living area; the body was given to investigating authorities. Intelligence information was received indicating that movement of enemy mortar shells to Ky Xuan is by fishing boats.

h. 9 August: VMFA-314 CA personnel were introduced to the elementary school in Chu Lai New Life Refugee hamlet.

i. 10 August: Thirty-five pieces of steel reinforcement bars were donated to Long Phu I's dispensary project. The CA team was invited to a Vietnamese home in Long Phu I to dine in honor of a deceased member of the family. In the evening MAG-13 personnel assisted an Army Psychological Warfare Team in showing educational movies in the Chu Lai Refugee Hamlet area.

j. 11 August: Thirty-five medical and four dental patients were treated at Long Phu II's Medcap; two dental patients were taken to MAG-13 medical for treatment.

k. 12 August: Twenty 55-gallon barrels were taken to Dickey Chapelle Dispensary. A Vietnamese girl was accidentally shot by a GI this morning; the girl was taken to the hospital and the soldier was apprehended by MAG-13 CA personnel. Americal G-5 conducted a meeting today outlining the MAG-13 area of responsibility as the hamlets of Long Phu I, Long Phu II, Dinh Phuoc, Thanh Tra, and the dispensary in An Tan.

l. 13 August: Thirty pieces of reinforcement bars were delivered to Long Phu I's dispensary construction project. A water purification unit was obtained from 1st Wing by MAG-12 and will be installed by MAG-13 at Dickey Chapelle. The unit was delivered to the dispensary and plans are being made for installation.

m. 14 August: A Vietnamese child was taken to 27th Surgical Hospital for dislocated shoulder treatment. Intelligence information was received from An Tan this evening.

n. 15 August: Reinforcement bar and 25 rocket boxes were donated to the Long Phu I dispensary project. Forty bags of cement and nine pieces of plywood were given to an An Tan resident for construction of his home.

A meeting was conducted this afternoon by the Ky Lien Village Administrative Chief. Future projects were discussed and MAG-12 representatives also attended. Intelligence information was received this evening.

o. 16 August: Three civilians were medevaced from An Tan today. Eighteen bags of cement were given to a man building a home in An Tan.

p. 18 August: Medcap to Long Phu II treated eighty-four people. Thirty pounds of soap was distributed to people with skin infections. MAG-12 CA team members conducted a picnic outing for Buddhist Youth in the hamlet while the medcap was underway.

q. 19 August: Three people were medevaced from An Tan this morning. The site between Long Phu I and Long Phu II is now complete. Approximately 1½ miles of road has been constructed and MABS-13 personnel are in the process of finishing the project by laying laterite for the road bed.

r. 20 August: Three patients were medevaced from An Tan this morning. The Civic Action Officer from MAG-12 was reported missing this evening which has indicated a necessity for additional security measures for the movement of the MAG-13 CA team in the Chu Lai area.

s. 21 August: Industrial Relations records were inspected today and found to be in good order. Scrap wood was taken to Long Phu I's dispensary construction project.

t. 22 August: The Ky Lien Village Chief requested that a road be built behind an An Tan to facilitate transportation of market goods. The project is being considered. The missing MAG-12 CAO was found today and Vietnamese civilian warned of increased enemy activity. Increased security is necessary for safe movement in the outlying hamlets. Radio contact is maintained with the base as a standard procedure.

u. 23 August: Fifty pieces of 1x4 planking was delivered to Long Phu I's dispensary construction project. The air base came under rocket attack last night and enemy activity is increasing. All hamlets were visited today and the civilians are complacent and unworried about increased enemy personnel in the area. The hamlets appear to be in no danger, however, intelligence information is forthcoming in greater abundance.

v. 25 August: Medcap to Long Phu II treated sixty people, sixty pounds of soap was distributed. The MAG-13 CA team received information from hamlet chief of a enemy cave in the hills three kilometers west of the base and accompanied a 198th Army guard and 1st CAG Marines in a search for the suspected position. No cave was found and as darkness was near the MAG-13 SAR helicopters were contacted to provide transportation from the vulnerable hill position to the Long Phu II hamlet. All Marines and Army personnel were extracted safely.

w. 26 August: A search was conducted once again for the enemy cave position; MAG-13 provided transportation for the hamlet chief to assist in the search.

x. 30 August: Certificates of Appreciation were mailed to all persons making contributions of clothing, finances etc. to MAG-13 Civic Action. Thirty pieces of 4x4's were delivered to Long Phu I's dispensary construction project.
