PART TWO - SUMMARY OF SIGNIFICANT EVENTS

1. General. Marine Air Base Squadron 36 provided continued airfield operations, perimeter defense, base services, camp construction, and communications at MCAF, Ky Ha. The Ky Ha Medical Facility was completed during November, 1966. The Squadron continues to operate with key personnel shortages. These shortages were alleviated somewhat by the procurement of local labor to augment the MAG-36 laundry, the Utilities Section and Base Services. Augmentation from other Squadrons is still required however, to complete the work projects underway.
