3. Important Visitors

On 19 April at 1300H the squadron hosted (8) VNAF pilots of the 522 Freedom Fighter F5 squadron from Bien Hoa airfield, and their USAF advisor for a tour of the squadron flight line and hanger area. Main points of interest were the F4B, weapons, loading, and tactics.

On 26 April Lieutenant General WALT toured the 122 hanger and flight line area. LtCol. MONTAGUE was present to host General WALT and his staff. During his visit General WALT was able to witness a preflight and launch of a combat mission flown by Captain DECASTRO and Lieutenant GADD with Captains RENIER and GARR as RIO's. He was very much impressed with the efficiency and professionalism of everyone involved.

On 28 April Mr. R. W. BROWNING a free lance reporter from Australia flew a combat mission with Major WALDVOGEL. This was his first ride in an F4B. He was very thrilled and enthusiastic about the F4's mission and effectiveness in S.E. Asia.

PART II - NARRATIVE OF SIGNIFICANT HIGHLIGHTS

The squadron received an AHF-15A Camera Pod from NAS Point Mugu for evaluation. At present it has met with limited success. But once the deficiencies are worked out it is expected that the camera pod will provide excellent coverage of all types of weapons delivery for aircrew training and ISO support.
