SOLUTION: DELIVER COMMITMENT SHEETS TO MARLOG FLIGHT. AS PER VERBAL AGREEMENT CAPT MILLER / HMM 161 TO THE WORKING PEOPLE

PROBLEM AREAS:

1. The commitments for 16 JUNE 1961 were not delivered to the MARLOG flight on the evening of 15 JUNE. The MARLOG FLIGHT WAS AT DA NANG UNTIL AFTER 1720 AND THE COMMITMENTS COULD NOT BE FOUND BY THE MARLOG PILOTS - the undersigned the flight leader of the MARLOG.
2. This commitment was received by telephone 15 JUNE 61 with the improper coordinates "ED 038124" + no supported unit, phone # or name of person to contact from the supported unit.
3. The flight left early for Da Nang to attempt to resolve the erroneous ~~in~~ coordinates prior to scheduled 1330 pick up time scheduled in the commitment.
4. upon arrival Da Nang no one was around, including officers from Roseann who knew who was supposed to be supported or what unit was to be supported. The flight waited until 1430 + departed for Hue as instructed + no equipment existed for us at Hue.
