Statement of J.H. Williams 23 Aug 69

At 0600 on morning of 23 Aug 69 Cattle Call 92-11 and 92-12 launched on a Recon Extract in the 861537 grid. At 0545 the Recon Team was still in contact and had suffered one KIA and two emergency medivacs. Lt Ritchie skillfully approached and landed in the zone (LZ Gazelle) knowing that the team had been taking heavy small arms fire and hand grenades. Due to the condition of the team, the time in the zone had to be extended. Seaworthy 99-7 and 99-8 made numerous gun runs on the ridge line to the West and Cattle Call 92-11's gunners combined to keep the enemy from returning any fire. We made a successful lift-off from the zone and out of the area without any apparent hits.

Signed
John H. Williams
