APPROVED FOR SIGNATURE William for Maj Pool

Statement by G. H. Williams

92-8 piloted by Maj Pool made a successful emergency resupply and picked up 14 medivacs, 4 of which were emergency cases out of Alexander Indians position in the 9361 grid square.

The task was made extremely difficult because of the failing daylight, the low cloud cover (intermittent IFR), and the fact that gun coverage was limited to one gunship Security 99-6 (99-5 lost all radio comm).

Maj Pool elected to resupply the position with emergency resupply even though a known enemy mortar position was active and had the zone zoned in. Artillery fire was inadequate to knock this position out. The mortar position was visible from the zone although no rounds were fired while 92-8 was in the zone. Maj Pool made two landings in the zone — the 2nd to pick up extra medivacs that didn't make the 1st lift.

We launched at 1500. We spent the whole afternoon waiting for someone to decide whether or not we were to run an assault troop lift. At 1700 we still were unable to obtain a decision even though it was dark and the weather was very poor. There certainly should be a cutoff time after which the birds could have been assigned to another mission. During the periods when either section was running resupply no mention was even made of loads for LZ Fuller. But as soon as we returned the night section was launched on emergency resupply to LZ Fuller.

92-8 & 92-9 launched at 1425 on missions 301/303/505. We arrived at UCB and were ordered by HDC to shut down and stand-by for mission 505.

At approximately 1800 we launched for emergency resupply to Alexander Mike & Penguin Lima. Upon arrival it was decided to resupply Penguin Lima first because India was taking mortars. Lima's resupply went w/o incident.

At India 92-8 elected to wait until seaworthy 99-5, 6 & Reluctant ran guns on the suspected mortar position. When the runs were in progress 92-8 went into the zone dropped off his load & set down and picked up 14 med-evacs.

The section went to UCB and refueled and then returned to AT.

92-11&12 launched on afternoon med-evac. At approximately 1600 we were notified by BHC of mission 50/G in the 8761 grid. The ground unit was Alexander Mike. The zone was insecure. We delayed launch until guns (Scarface 4&45) were available. At approximately 1700 we launched from "C" MED to get the med-evacs. 92-11 arrived over the zone and due to guns & an OV-10 WORKING OUT HE DECIDED TO HOLD OUTSIDE THE AREA. BEFORE we could go into the zone Mike had to assault the zone to secure it. Meanwhile 92-11&12 returned to UCB to refuel. Upon returning to the area the wx was DETERIORATING RAPIDLY AND IT WAS NECESSARY TO GET THE MED EVAC ASAP. 92-11 went into the zone and got one emergency on board and took him to QT. 92-11 was unable to take anymore out because they were not in the zone at that time. No fire was taken by 92-11 but Scarface 4&45 while softening the zone for the assault took small arms & AW fire.

AFTER UNSUCCESSFULLY ATTEMPTING TO LIFT TROOPS OUT OF 9844 BECAUSE OF EXTREMELY THICK CLOUD COVER AND RAIN, THE ~~FLIGHT~~^{SECTION} LEADER WAS INFORMED BY DASC THAT AN EMERGENCY RECON EXTRACT WAS REQUIRED AT 9864.

UPON ARRIVAL AT THE ZONE WE FOUND SEAWORTHY AIRCRAFT MAKING RUNS ON THE AREA. THE RECON TROOPERS WERE UNDERSTANDABLY EXCITED ABOUT THE LARGE AMOUNT OF ENEMY FIRE ANY AIRCRAFT THAT ENTERED THE AREA DREW. THE ZONE THE TROOPERS HAD PICKED WAS DEEMED UNSUITABLE FOR A 46 BY THE SEAWORTHY AIRCRAFT. SEAWORTHY SUGGESTED ANOTHER ZONE DOWN OR OF THE HILL THEY WERE ON AND UP ONTO ANOTHER. THE TROOPERS SAID THAT IT WOULD TAKE 10 MINUTES FOR THEM TO REACH IT.

WHILE WAITING FOR THE RECON TEAM TO REACH THE NEW ZONE, A LARGE BOMB CRATER ON THE SIDE OF THE HILL, THE SURROUNDING AREA WAS WELL WORKED OVER BY SEAWORTHY AND LOU BUG AIRCRAFT.

ON HIS FIRST ATTEMPT TO REACH THE ZONE LT GEER WAS FORCED TO WALK OFF BECAUSE OF ENEMY FIRE. AFTER WAITING FOR THE GUN SHIPS TO WORK OVER THE SURROUNDING AREA AGAIN LT GEER MADE A SECOND ATTEMPT TO GET INTO THE ZONE AND WAS AGAIN FORCED TO WALK OFF BY ENEMY FIRE. ON HIS THIRD ATTEMPT TO GET INTO THE ZONE LT GEER WAS SUCC BECAUSE OF DEATHS ENCOUNTERED BY THE TROOPS GETTING INTO THE BIRD, LT GEER REMAINS
