PART II

NARRATIVE SUMMARY

During the period 1-7 July 1969, HMM-164 was located aboard the USS Valley Forge (LPH-8) in Subic Bay, Republic of the Phillipines. The ship was in Subic Bay for rehabilitation and training with both HMM-164 and BLT 2/26 aboard. Flight operations were conducted in support of SLF "B" and BLT 2/26. Missions were primarily C&C, Admin/Liaison and Training. During this same period a detachment of eight (8) aircraft, twenty-one (21) pilots, and limited support personnel and equipment was located at the Hue-Phu Bai Airfield, RVN, augmenting the 1st MAW. Missions flown were primarily re-supply (in support of the ROKMC), C&C and Medevac (in support of the 1st MarDiv) and mortar watch. On 8 July 1969 the LPH-8 returned to the ICTZ and the detachment was brought back aboard. During the period 8-23 July, HMM-164 continued to support SLF "B" and BLT 2/26 and augmented the 1st MAW with available aircraft. On 24 July a helo assault with BLT 2/26 commenced Operation BRAVE ARMADA in Quang Ngai Province, RVN. HMM-164, operating exclusively in support of SLF "B" and BLT 2/26 during the period 24-31 July, flew troop lift, reconnaissance, resupply, medevac, C&C and admin/liason missions. Aircraft availability remained consistently 60 percent and over during the Operation, enabling HMM-164 to provide extensive helicopter support for BLT 2/26 ashore.
