OF MSN 80. After 40 min 3 par and 100# for Dong Ha showed up. 6 par and 600# for Con Tien. Orig fragged for Qua Viet vice Dong Ha. ~~Comm~~ Rockeuster was controlling but couldn't co-ordinate with 405 control. The people were at chow and had to be rounded up. All of this was needless if the frag is presented correctly and the people and gear are where they should be. I finally called Rockeuster 1-4 on h.h. and got things OK. Phu Bai Dase cleared me to wait 10 more minutes after 40 min deck time to leave which we did. A very poorly run logistics re-sup.
