MISSION COMPLETE

DECLASSIFIED

DECLASSIFIED

Comprize 2-0 sat in LZ 1 for 5 hours straight. We were first told we would be there approx. 1 hour. It would have been a simple manuever to put us back to work, when it was learned that the passengers were going to be disembarked for that length of time. This is extremely poor aircraft utilization considering the number of other tasks that could have been accomplished

Respectfully submitted

C. J. Crews
