1. @ BT 114494 we orbited for 25 mins. trying to get Cup Alpha up on his radio to run his emergency medevac. Never established comms but got the medevac through Mad Hatter.
2. @ BT 056602 it took us 15 mins. to get a zone brief from Select man 2 - very poor on the radio. As a result his 3 emergency medevacs were further hampered in their chance for survival. Suggest 14A be given the word!!
