20. NARRATIVE SUMMARY TI[redacted] ATR: _____

– Operational Discrepancy –

This misson was fragged by Wing or the Bunker for a 1315 Pickup. Division Fragged it for a 1330 Pickup. Therefore we had to take off at 1245 for a 1330 Pickup. I can see arriving 15 minutes prior to the Pickup time, but Don't cut the Fragged Pickup time. We Don't need that much time – 45 minutes –
