ER

OPERATIONAL DISCREPANCY - SEE BELOW.

SIGNIFICANT DELAYS - The mission 83/84 HCA was supposed to be flown by Lt Col Blakeman, or at least that is what the Grap Bunker had scheduled on the night of the 26th; however, Major Miller ended up flying the mission. The delay was over an hour and with a 0615 scheduled take-off, we departed Marble Mt. at 0720. This should be considered an Operational Discrepancy. *ESN/Blk*

man complete

OP. Discrepancy - Bn: Patty Shell Co: E
 Pkt E-2. Patty Shell was advised by HDC
 that resupply would start ^(1200 hrs) and to have E
 company on the resupply net. On arrival at
 the area, 'E' Co. was not on the radios but
 came up on the net shortly thereafter. After
 45 mins E-2 had still not come up on the
 net and resupply was accomplished by the
 gunbird flying low, spitting the unit,
 dropping smoke and Swift 5-2 making
 the resupply without radio contact.
 Discrepancy: not on the proper net for resupply.

Comprize 29 + 7 Z
