SPOT REPORT

- A. REPORTING UNIT: HML-167
 B. COORDS: ① AT 890457 ② AT 906464
 C. DTG OF SPOT REPORT 161620
 D. SPOT REPORT: (WHAT DID YOU SEE, WHERE DID YOU SEE IT, WHEN DID YOU SEE IT AND IN WHAT AMOUNT; PLUS ADDITIONAL DETAILS)

In the area of above coordinates ① we noted numerous water buffalo and 'civilians' not too distant. 16 Buffalo were grazing on the peninsula while others were further west. Trails indicated travel to the east from the site. Shortly thereafter at AT 906464 we spotted a large group of 'civilians' - some of them sneaked away in the bushes as we departed. On the second pass the others, mostly women and children, waved.

- E. ACTION TAKEN noted grid and moved away in hopes of a revealing move
