Jagged for 0900 show but had nothing to do until 1400. A/C arrived at 1100 due to lack of A/C.
Bad Actor 14 plus 5 different LZ's were up the same freq 35.8. This led to the state that no one was able to talk to anyone else because of the noise on the freq. Service man HST conducted a lengthy argument with Bad Actor 14 ending in a threat of bodily violence upon his return. Upon completion of the mission the aforementioned incident, this encounter made about 10-15 min delay in landing at each LZ.
