Swift 5-1 25-2 were assigned mission # 203 by Dong Ha DASC (I & E). One insert & 1 extract were completed (4 inserts remaining) when we were diverted for an emergency resupply. After refueling at BT we proceeded to DHT & picked up a total of 4 external loads and 46 ARVN's which we carried into 2 zones. This was a routine flip flop of personnel - not an emergency resupply.

The person calling the mission in according to DH DASC was Col Parsons - 2d ARVN REGT Advisor.
