OPERATIONAL DISCREPANCIES OR REMARKS PERTAINING TO THE EFFECTIVENESS OF THE MISSION FLOWN: On request by Emblem +
have LZ marked by smoke, Hornstead Lima immediately put out smoke in their zone, which was for a med. evoc., and
thereby diverted Emblem flt into wrong zone, causing much confusion, and putting Emblem in an unnecessary position to
fire. Also, colors of smoke as pre-briefed were not used in LZ's.

REMARKS AND/OR RECOMMENDATION: Make it known to the people in the field that two (2) missions cannot be undertaken simulta
in a situation such as this, that the primary mission has priority, and that an attempt should be made to coordinate the use of
smoke colors.
