NARRATIVE SUMMARY

Marine Heavy Helicopter Squadron 462, logged 1,149.6 flight hours in April, our 8th month in the Republic of Vietnam. We flew 4030 sorties, completing 2,636 tasks and transported a total of 4,976.5 tons of cargo. The majority of our effort was in support of the 3rd Marine Division, participating in operations Maine Crag, Purple Martin, and Ellis Ravine. Generally good weather conditions throughout the month lengthened the flying day, and hours lost to weather holds were few.

HMH-462 continued its civic action program with visits to the Catholic Orphanage at Hue and protestant schools in Phu Loung. Clothing contributions were distributed. Projects for the construction of a slide and the repair of various electrical equipment for the orphanage are nearing completion.
