(The book in Word format)

25 File(s) 68,095,083 bytes

jpg files are pictures, pdf files are in Adobe Acrobat, exe files are executable files, doc files are Microsoft Word documents, and txt are unformatted text files viewed with virtually any word processor.
Please note that if you read the CD, you must change the view from "programs" to "all files". Otherwise, you will only see AcrobatReader51.exe.
