Dear Ms. Fitzgerald,

We were recently contacted by Senator Grassley's office on your behalf. They requested that we send you information regarding our *In Memory* program. You will find that I have enclosed material that describes all of the services provided by the Friends.

The Friends of the Vietnam Veterans Memorial is a non-profit volunteer organization. We are dedicated to preserving and extending the healing effects and historical legacy of the Memorial to all Americans. All of our services are offered free of charge, although we do appreciate donations towards our work.

In Memory is a unique program designed to honor those who died as a result of their experience in Vietnam, but whose names will never appear on the Vietnam Veterans Memorial. I hope you will take the time to read our material. There is a brochure devoted specifically to *In Memory* included among our other information that should give you an idea of what the program does. We are planning to place the first group of *In Memory* certificates at the Wall on Memorial Day.

If you have any questions, please do not hesitate to contact us. Also, you should feel free to pass our information along to anyone who you think might be interested in our work. Thank you for your interest in the Vietnam Veterans Memorial and in the Friends.

Sincerely,

Marcy Meyer
