Dear Ms. Fitzgerald:

Thank you for your recent letter regarding a possible memorial for Vietnam veterans who died prematurely from the effects of Agent Orange.

I contacted several government agencies regarding this matter without any success, but finally called the Friends of Vietnam Veterans. They have a program in memory of these veterans and I have asked them to send some information to you. You should receive it in the near future.

It doesn't involve a name on the memorial, but the names are logged into the book at the Vietnam Veterans Memorial.

Please be sure I was glad to check into this matter for you and hope this information will be helpful to you.

With kindest regards,

Sincerely,

CHARLES E. GRASSLEY
U. S. Senator
