

## The Vietnam War *In Memory* Memorial Plaque Project

In honor of Vietnam veterans whose postwar deaths are due to their wartime service, but whose names are not eligible to be added to the Wall, Congress has unanimously approved the addition of a privately funded commemorative plaque to the grounds of the Vietnam Veterans Memorial.

Rolling Thunder ® Inc. & Vietnam Veterans of America, Inc. are among the many organizations and individuals whose endorsement helped bring about approval of the memorial plaque advocated by the grass roots Vietnam War In Memory Memorial, Inc.

Please send your memorial contribution as a check or money order made out to "ABMC-VVM Plaque" to:
