Dear Ms. Fitzgerald:

Thank you for your letter of June 7. I am all for the concept which you outlined in your letter. I have fought all the way to the level of the Chairman of the Joint Chiefs of Staff to get an addition to the Vietnam Memorial for those who were killed in Vietnam but didn't know it.

It will take congressional action to achieve your objective. I recommend you write to your senators and your congressmen requesting them to initiate such action.

All best wishes.

Sincerely,

E. R. Zumwalt, Jr.
