

306 George Street, Fredericksburg, VA, 22427

August 20, 1998

Dear Ruth,

On behalf of Sena Foundation I would like to thank you for your efforts to bring attention to the plight of Vietnam Vets affected by agent orange.

As you know Sena has been working with grieving folks for over 15 years. We recognize the need for our communities to be aware of the loss issues still remaining from the Vietnam conflict.

Sena Foundation supports your efforts and will help in any way possible.

Sincerely,

William B. Schaefer
Director, Sena Foundation
