Ruth,

Thanks so much for the expedient response. I had just checked into the site yesterday and was pleasantly surprised to see that my brother's picture had been added. My thanks to you and your husband for that privilege.

You are certainly welcome to keep the photo to use as you wish. I guess I would prefer that you not publish my letter to you, if that's what you had in mind, but I would be honored if you were inclined to use the poem or either of the photos for publicity reasons.

I don't know how else I may be able to help this cause, but please do keep me posted and let me know if there is anything I can do from our humble abode in upstate New York.

Thank you again,
Glenn Peck
