Hi Ruth! Here is a copy of a letter for you that I wrote to the Ex. Dir of the ABMC. All relevant materials are being reviewed by our sculptor and architect. I sent a copy of this letter to Jan S. He has already responded, by fax, to me saying that "this is an exciting and very significant project." You've changed his heart, Ruth! Til later,
Diane

Kenneth S. Pond
Executive Director
American Battle Monuments Commission

Arlington, Va. 22201

Dear Mr. Pond,

Thank you for your letter of August 11, 2000 regarding the Vietnam War In Memory Memorial. I appreciate very much the information on the progress to date in this important project which will honor those Vietnam veterans who died as a result of their service after their return home.

I have communicated with the ABMC point of contact, Colonel Dale Means and look forward to future discussions surrounding the five central elements associated with the proposed plaque, as well as the agreement between the ABMC and the VVMF, Inc.

George Dickie, Vietnam Women's Memorial Project (VWMP/Project) Landscape Architect, is presently reviewing the relevant materials and will serve as consultant, per the Memorandum of Conveyance, in

conjunction with Glenna Goodacre, Sculptor of the Vietnam Women's Memorial.

From the beginning, we have supported the addition of a plaque to the Vietnam Veterans Memorial, its authorizing legislation and that its placement be shepherded through the approval process by the American Battle Monuments Commission.

We look forward to working with you and the Vietnam Veteran's Memorial Fund on this important project.

Sincerely,

Diane Carlson Evans, Rn
Founder and Chair

cc: Jan Scruggs, Vietnam Veterans Memorial Fund
