Dear Ruth:

It was nice to speak with you last evening about the upcoming Candlelight Service at the In Memory Plaque on the eve of Veterans' Day. Thank you for all your hard work in bringing this about for the families of AO veterans. As I mentioned, enclosed is a copy of the newsletter I received called Reflections From The Wall in which this dedication is mentioned.

Take care of yourself and I will be in touch again in the near future.

Sincerely,

A handwritten signature in cursive script that reads "Maureen". The signature is written in black ink and is positioned below the word "Sincerely,".
