Ruth,

Our chapter quartermaster held a POW/MIA memorabilia sale and collected over 100 names to the petition we have started. Hopefully, by Labor Day weekend we can forward it to the proper authorities with lots of signatures. We're tryin'... Can we add some pics to your collection on your homepage of those who have passed away prematurely??

The answer to your question "what county are we from..." "Niagara County, New York". I must emphasize, those 500+ plus names we came up with include those who weren't in Vietnam. We are working on getting them separated. Gotta go thanks for your help.

ps this email address is in my daughter's name, in case your wonderin'.
